

HALIFAX – DARTMOUTH CANADA DAY 2016 FIREWORKS CANCELLATION POLICY

In case of inclement weather, announcements on fireworks cancellation will be made using local media, the Canada Day website and 311.

Canada Day Firework Events:

Friday, July 1—Halifax Harbour—10 p.m.—Rain Date: July 2

How is the final decision determined?

The municipality consults the weather authorities at 5 p.m. and makes the first call on the fireworks at that time. If weather conditions change drastically between 5 p.m. and 9 p.m., a final decision will be forthcoming to the public at 9 p.m.

Rain Date:

There is only one rain date proposed for the July 1 Halifax Harbour Fireworks Display.

The rain date is Saturday, July 2. If weather conditions are still not conducive, the fireworks show will not be fired. The municipality has the discretion to cancel the fireworks and bank the credit for the following year.
